IN RE: ORANGE CITY COMMUNICATIONS, L.L.P.	DOCKET NO. TCU-00-42 TF-02-155
	CERTIFICATE NO. 0246

CERTIFICATE

(Issued May 15, 2002)

On September 21, 2000, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), to Orange City Communications, L.L.P. (OCC). In the order, the Board approved OCC's concurrence in the maps and boundaries of the Orange City, Iowa, exchange in the tariffs of Frontier Communications of Iowa, Inc. (Frontier), and stated that OCC would be issued a certificate when it had given notice to all affected local exchange carriers and had an approved tariff on file with the Board.

On April 15, 2002, OCC filed a proposed tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where OCC intended to provide service. The proposed tariff has been identified as Docket No. TF-02-155. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since OCC will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0246, authorizing OCC to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizes Orange City Communications, L.L.P. to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
